- All animals will be returned to CoRHS at the end of the foster period.
- Animals brought into your own home may have contagious diseases that can infect your own animals if exposed.
- We require monthly updates from you by email throughout the foster period.
- Please contact the CoRHS foster coordinator with any questions you may have. Teri Moody at [foster@corhs.org](mailto:foster@corhs.org) or 303-776-2070.
- A six-month minimum commitment is asked of all foster parents.
